

LIST OF BODIES NOTIFIED UNDER DIRECTIVE : 2014/34/EU Equipment and protective systems intended for use in potentially explosive atmospheres (recast)

| Name and address of the notified bodies | Identification number | Responsible for the following products | Responsible for the following procedures or modules | Annexes or articles of the directives |
|---|------------------------------|--|--|---|
| VINÇOTTE sa/nv Business Class Kantorenpark Jan Olieslagerslaan , 35 1800 Vilvoorde Belgium | 0026 | Group II gas electrical: Group II dust electrical: Group II gas non-electrical: Group II dust non-electrical: | Conformity based on unit verification (Module G) | Annex IX |
| APRAGAZ A.S.B.L. Chaussée de Vilvorde, 156 1120 BRUXELLES Belgium | 0029 | Group I electrical: Group I non-electrical: Group II gas electrical: Group II dust electrical: Group II gas non-electrical: Group II dust non-electrical: | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity to type based on internal production control plus supervised product testing (Module C1) Conformity to type based on product quality assurance (Module E) Conformity based on unit verification (Module G) | Annex III Annex IV Annex V Annex VI Annex VII Annex IX |
| TÜV Rheinland Industrie Service GmbH Am Grauen Stein 51105 Köln Germany | 0035 | Group I electrical: Group I non-electrical: Group II gas electrical: Group II dust electrical: Group II gas non-electrical: Group II dust non-electrical: | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity to type based on internal production control plus | Annex III Annex IV Annex V Annex VI Annex VII Annex VIII Annex IX |

LIST OF BODIES NOTIFIED UNDER DIRECTIVE : 2014/34/EU Equipment and protective systems intended for use in potentially explosive atmospheres (recast)

| Name and address of the notified bodies | Identification number | Responsible for the following products | Responsible for the following procedures or modules | Annexes or articles of the directives |
|---|-----------------------|--|---|---|
| | | | supervised product testing (Module C1) Conformity to type based on product quality assurance (Module E) Internal Production Control (Module A) and the communication of the technical documentation as Art. 13.1(b)(ii) Conformity based on unit verification (Module G) | |
| TÜV NORD CERT GmbH Langemarckstraße 20 45141 Essen Germany | 0044 | Group I electrical: Group I non-electrical: Group II gas electrical: Group II dust electrical: Group II gas non-electrical: Group II dust non-electrical: | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity to type based on internal production control plus supervised product testing (Module C1) Conformity to type based on product quality assurance (Module E) Internal Production Control (Module A) and the communication of the technical documentation as Art. 13.1(b)(ii) | Annex III Annex IV Annex V Annex VI Annex VII Annex VIII Annex IX |

LIST OF BODIES NOTIFIED UNDER DIRECTIVE : 2014/34/EU Equipment and protective systems intended for use in potentially explosive atmospheres (recast)

| Name and address of the notified bodies | Identification number | Responsible for the following products | Responsible for the following procedures or modules | Annexes or articles of the directives |
|--|-----------------------|--|---|---|
| | | | Conformity based on unit verification (Module G) | |
| IMQ ISTITUTO ITALIANO DEL MARCHIO DI QUALITÀ S.P.A. Via Quintiliano, 43 20138 - MILANO Italy | 0051 | Group I electrical: Group I non-electrical: Group II gas electrical: Group II dust electrical: Group II gas non-electrical: Group II dust non-electrical: | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity to type based on internal production control plus supervised product testing (Module C1) Conformity to type based on product quality assurance (Module E) Internal Production Control (Module A) and the communication of the technical documentation as Art. 13.1(b)(ii) Conformity based on unit verification (Module G) | Annex III Annex IV Annex V Annex VI Annex VII Annex VIII Annex IX |
| Kiwa Nederland B.V. Wilmersdorf, 50 (PO Box 137, 7300 AC) 7327 AC APELDOORN Netherlands | 0063 | Group II gas electrical: - - Category 1 equipment | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity based on unit | Annex III Annex IV Annex V Annex IX |

LIST OF BODIES NOTIFIED UNDER DIRECTIVE : 2014/34/EU Equipment and protective systems intended for use in potentially explosive atmospheres (recast)

| Name and address of the notified bodies | Identification number | Responsible for the following products | Responsible for the following procedures or modules | Annexes or articles of the directives |
|---|-----------------------|--|--|---|
| | | | verification (Module G) | |
| | | Group II gas electrical: - - Category 2 equipment | EU-type examination (Module B) Conformity to type based on internal production control plus supervised product testing (Module C1) Conformity to type based on product quality assurance (Module E) Conformity based on unit verification (Module G) | Annex III Annex VI Annex VII Annex IX |
| | | Group II gas electrical: - - Category 3 equipment | Conformity based on unit verification (Module G) | Annex IX |
| | | Group II gas electrical: - - Components | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity to type based on internal production control plus supervised product testing (Module C1) Conformity to type based on product quality assurance (Module E) Conformity based on unit verification (Module G) | Annex III Annex IV Annex V Annex VI Annex VII Annex IX |

LIST OF BODIES NOTIFIED UNDER DIRECTIVE : 2014/34/EU Equipment and protective systems intended for use in potentially explosive atmospheres (recast)

| Name and address of the notified bodies | Identification number | Responsible for the following products | Responsible for the following procedures or modules | Annexes or articles of the directives |
|---|-----------------------|---|---|---|
| | | Group II dust electrical: - - Category 1 equipment | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity based on unit verification (Module G) | Annex III Annex IV Annex V Annex IX |
| | | Group II dust electrical: - - Category 2 equipment | EU-type examination (Module B) Conformity to type based on internal production control plus supervised product testing (Module C1) Conformity to type based on product quality assurance (Module E) Conformity based on unit verification (Module G) | Annex III Annex VI Annex VII Annex IX |
| | | Group II dust electrical: - - Category 3 equipment | Conformity based on unit verification (Module G) | Annex IX |
| | | Group II dust electrical: - - Components | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity to type based on | Annex III Annex IV Annex V Annex VI Annex VII Annex IX |

LIST OF BODIES NOTIFIED UNDER DIRECTIVE : 2014/34/EU Equipment and protective systems intended for use in potentially explosive atmospheres (recast)

| Name and address of the notified bodies | Identification number | Responsible for the following products | Responsible for the following procedures or modules | Annexes or articles of the directives |
|---|-----------------------|--|---|--|
| | | | internal production control plus supervised product testing (Module C1) Conformity to type based on product quality assurance (Module E) Conformity based on unit verification (Module G) | |
| | | Group II gas non-electrical: - - Category 1 equipment | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity based on unit verification (Module G) | Annex III Annex IV Annex V Annex IX |
| | | Group II gas non-electrical: - - Category 2 equipment | Internal Production Control (Module A) and the communication of the technical documentation as Art. 13.1(b)(ii) Conformity based on unit verification (Module G) | Annex VIII Annex IX |
| | | Group II gas non-electrical: - - Category 3 equipment | Conformity based on unit verification (Module G) | Annex IX |
| | | Group II gas non-electrical: - - Components | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) | Annex III Annex IV Annex V |

LIST OF BODIES NOTIFIED UNDER DIRECTIVE : 2014/34/EU Equipment and protective systems intended for use in potentially explosive atmospheres (recast)

| Name and address of the notified bodies | Identification number | Responsible for the following products | Responsible for the following procedures or modules | Annexes or articles of the directives |
|---|-----------------------|--|--|--|
| | | | Conformity to type based on product verification (Module F) Conformity to type based on internal production control plus supervised product testing (Module C1) Conformity to type based on product quality assurance (Module E) Conformity based on unit verification (Module G) | Annex VI Annex VII Annex IX |
| | | Group I electrical: - - Category M1 equipment | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity based on unit verification (Module G) | Annex III Annex IV Annex V Annex IX |
| | | Group I electrical: - - Category M2 equipment | EU-type examination (Module B) Conformity to type based on internal production control plus supervised product testing (Module C1) Conformity to type based on product quality assurance (Module E) Conformity based on unit | Annex III Annex VI Annex VII Annex IX |

LIST OF BODIES NOTIFIED UNDER DIRECTIVE : 2014/34/EU Equipment and protective systems intended for use in potentially explosive atmospheres (recast)

| Name and address of the notified bodies | Identification number | Responsible for the following products | Responsible for the following procedures or modules | Annexes or articles of the directives |
|---|-----------------------|---|--|---|
| | | | verification (Module G) | |
| | | Group I electrical: - - Components | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity to type based on internal production control plus supervised product testing (Module C1) Conformity to type based on product quality assurance (Module E) Conformity based on unit verification (Module G) | Annex III Annex IV Annex V Annex VI Annex VII Annex IX |
| | | Group II dust non-electrical: - - Category 1 equipment | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity based on unit verification (Module G) | Annex III Annex IV Annex V Annex IX |
| | | Group II dust non-electrical: - - Category 2 equipment | Internal Production Control (Module A) and the communication of the technical documentation as Art. 13.1(b)(ii) | Annex VIII Annex IX |

LIST OF BODIES NOTIFIED UNDER DIRECTIVE : 2014/34/EU Equipment and protective systems intended for use in potentially explosive atmospheres (recast)

| | | Group II gas electrical: - - Protective systems | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity based on unit | Annex III Annex IV Annex V Annex IX |

LIST OF BODIES NOTIFIED UNDER DIRECTIVE : 2014/34/EU Equipment and protective systems intended for use in potentially explosive atmospheres (recast)

| Name and address of the notified bodies | Identification number | Responsible for the following products | Responsible for the following procedures or modules | Annexes or articles of the directives |
|---|-----------------------|--|--|---|
| | | | verification (Module G) | |
| | | Group II gas electrical: - - Safety devices, controlling devices and regulating devices - - Components | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity to type based on internal production control plus supervised product testing (Module C1) Conformity to type based on product quality assurance (Module E) Conformity based on unit verification (Module G) | Annex III Annex IV Annex V Annex VI Annex VII Annex IX |
| | | Group II dust electrical: - - Category 1 equipment | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity based on unit verification (Module G) | Annex III Annex IV Annex V Annex IX |
| | | Group II dust electrical: - - Category 2 equipment | EU-type examination (Module B) Conformity to type based on internal production control plus supervised product testing (Module | Annex III Annex VI Annex VII |

LIST OF BODIES NOTIFIED UNDER DIRECTIVE : 2014/34/EU Equipment and protective systems intended for use in potentially explosive atmospheres (recast)

| Name and address of the notified bodies | Identification number | Responsible for the following products | Responsible for the following procedures or modules | Annexes or articles of the directives |
|---|-----------------------|---|---|---|
| | | | C1) Conformity to type based on product quality assurance (Module E) Conformity based on unit verification (Module G) | Annex IX |
| | | Group II dust electrical: - - Category 3 equipment | Conformity based on unit verification (Module G) | Annex IX |
| | | Group II dust electrical: - - Protective systems | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity based on unit verification (Module G) | Annex III Annex IV Annex V Annex IX |
| | | Group II dust electrical: - - Safety devices, controlling devices and regulating devices - - Components | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity to type based on internal production control plus supervised product testing (Module C1) Conformity to type based on | Annex III Annex IV Annex V Annex VI Annex VII Annex IX |

LIST OF BODIES NOTIFIED UNDER DIRECTIVE : 2014/34/EU Equipment and protective systems intended for use in potentially explosive atmospheres (recast)

| Name and address of the notified bodies | Identification number | Responsible for the following products | Responsible for the following procedures or modules | Annexes or articles of the directives |
|---|-----------------------|--|---|--|
| | | | product quality assurance (Module E) Conformity based on unit verification (Module G) | |
| | | Group II gas non-electrical: - - Category 1 equipment | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity based on unit verification (Module G) | Annex III Annex IV Annex V Annex IX |
| | | Group II gas non-electrical: - - Category 2 equipment | Internal Production Control (Module A) and the communication of the technical documentation as Art. 13.1(b)(ii) Conformity based on unit verification (Module G) | Annex VIII Annex IX |
| | | Group II gas non-electrical: - - Category 3 equipment | Conformity based on unit verification (Module G) | Annex IX |
| | | Group II gas non-electrical: - - Protective systems | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity based on unit | Annex III Annex IV Annex V Annex IX |

LIST OF BODIES NOTIFIED UNDER DIRECTIVE : 2014/34/EU Equipment and protective systems intended for use in potentially explosive atmospheres (recast)

| Name and address of the notified bodies | Identification number | Responsible for the following products | Responsible for the following procedures or modules | Annexes or articles of the directives |
|---|-----------------------|--|--|---|
| | | | verification (Module G) | |
| | | Group II gas non-electrical: - - Safety devices, controlling devices and regulating devices - - Components | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity to type based on internal production control plus supervised product testing (Module C1) Conformity to type based on product quality assurance (Module E) Conformity based on unit verification (Module G) | Annex III Annex IV Annex V Annex VI Annex VII Annex IX |
| | | Group II dust non-electrical: - - Category 1 equipment | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity based on unit verification (Module G) | Annex III Annex IV Annex V Annex IX |
| | | Group II dust non-electrical: - - Category 2 equipment | Internal Production Control (Module A) and the communication of the technical documentation as Art. 13.1(b)(ii) | Annex VIII Annex IX |

LIST OF BODIES NOTIFIED UNDER DIRECTIVE : 2014/34/EU Equipment and protective systems intended for use in potentially explosive atmospheres (recast)

| Name and address of the notified bodies | Identification number | Responsible for the following products | Responsible for the following procedures or modules | Annexes or articles of the directives |
|---|-----------------------|---|--|---|
| | | | Conformity based on unit verification (Module G) | |
| | | Group II dust non-electrical: - - Category 3 equipment | Conformity based on unit verification (Module G) | Annex IX |
| | | Group II dust non-electrical: - - Protective systems | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity based on unit verification (Module G) | Annex III Annex IV Annex V Annex IX |
| | | Group II dust non-electrical: - - Safety devices, controlling devices and regulating devices - - Components | EU-type examination (Module B) Conformity to type based on quality assurance of the production process (Module D) Conformity to type based on product verification (Module F) Conformity to type based on internal production control plus supervised product testing (Module C1) Conformity to type based on product quality assurance (Module E) Conformity based on unit verification (Module G) | Annex III Annex IV Annex V Annex VI Annex VII Annex IX |
